Good morning Ellen,

It was nice seeing you at the BID zoom meeting on Tuesday.

I would like to circle back and ask if you will be renewing the Little Tokyo BID contract for the new FY 2021-2022. In addition, if you do plan on renewing the contract what additional services will be added to this upcoming contract? *For example*, graffiti removal was not listed on this year's contract but we implemented the service due to the heavy impact of graffiti the BigBelly's were facing.

Recap of the current services:

- 1-day a week service of BigBellys and maintenance throughout the district
- Pressure wash as requested *additional cost*
 - implemented the graffiti removal of bigbellys

Please advise.

Let me know if you have any questions, comments and or concerns.
